BE THE LEADER GOD CREATED YOU TO BE

"Inspirational and timely. Perfect balance between teaching and sharing practical experience."

"Such an amazing journey over 3 days."

"I'm thankful for the opportunity to have received the training and excited at how God will use it to transform me."

"An outstanding course – inspirational and motivational, affirming and encouraging."

"It has reinforced my conviction that my identity is first and foremost in Christ, whatever leadership role I may hold."

All leaders want to be the best they can be. But you can read as many "how to" books as you like and still not be a truly effective leader. People don't follow leaders who use the right techniques. They follow leaders who are authentic and real.

Christian leaders have a huge advantage over others because they are new creations in Christ. In this retreat you will be surprised as you are helped to take the truths of this new identity much deeper so that you can learn to lead as the new person in Christ that you are.

Identity-based leadership helps free us from drivenness and burnout, and enables us to survive personal attacks, use conflict positively and overcome other barriers to effective leadership.

This residential retreat will be led by Rod Woods, senior pastor at City Temple, London, together with Rob Davies, UK Director of Freedom In Christ Ministries. It is not just for church leaders but for Christians who are leaders in any sphere.

Cost:

£245 per person (ensuite room) which includes two nights' dinner, bed and breakfast, lunch each day and refreshments. (You can add Sunday night bed & breakfast for £60).
