

Project Brief

Help a Generation Find Their Identity in Christ

A 10-week Youth Discipleship Course to bring freedom, purpose, and hope

The Crisis

- 95% of under-18s don't go to church.
- 4 in 5 schools report rises in self-harm and suicidal thoughts.
- 1 in 5 young people live with a diagnosed mental health issue.

Yet 1 in 3 teenagers in the UK want to know more about Jesus.

The hunger is rising. The Church must respond.

The Solution

Freedom In Christ is creating a brand-new, 10-week Youth Course built for today's teens:

- Engaging video sessions with real-life testimonies filmed on location
- Flexible leader's guides and participant journals
- Games, object lessons, and powerful prayer times
- Solid biblical teaching on identity and freedom in Christ, totally relevant

This is more than another programme — it's a tool to help churches disciple teens, break chains of fear, shame, and confusion, and see lives transformed.

The Goal

Reach 20,000 young people through 1,000 churches in 3 years.

Your Impact When You Give

- £50 equips 10 young people with life-transforming teaching
- £5,000 funds an entire session — from filming to guides to outreach
- £50,000 brings the entire course to life
- Every gift matters.

Every pound sows into the spiritual freedom of the next generation.

Why Now

This is a once-in-a-generation opportunity to meet a rising spiritual hunger. Together, we can help young people find their identity in Christ, step into freedom, and live with purpose.

"Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed..." — 2 Corinthians 9:10

Be Part of the Quiet Revival!

Your generosity will:

- Bring the message of Jesus to hurting young people
- Equip churches to disciple and empower the next generation
- Lay the foundation for a youth revival across the UK
